i-Deal Range

NEW

The NEW i-Deal range has been designed to help you compete in an increasingly challenging marketplace where price and value of offering are key to your customers.

This new range features FibRe™ technology, and takes the fight to your competition but with the expected quality and credibility from Bebeluca

i-Deal Fibre – Wipe Clean Cover

- A mattress offering ideal comfort and support for your baby.
- The PVC free Kidtex Eco 80 Supersoft hypo-allergenic wipe clean mattress cover helps to maintain temperature and comfort for the correct sleeping environment for your child and features a micropore cover which enhances breathability and air circulation for your child.
- The wipe clean cover keeps the mattress interior fresh and clean, reducing the causes of allergies....perfect when potty training or when your child has a little accident
- The FibRe™ used in the inner core has the correct balance between density and firmness to provide ideal spinal support and comfort for your child, and is free from any PVC or plasticisers, being manufactured from recycled fibre ensuring kindness to both your baby and the environment.
- Easily maintained mattress with non removeable cover which can be sponged/wiped clean with a mild detergent and air dried
- The correct choice of mattress will provide a healthier and safer sleeping environment; provide a better nights sleep for your child, and peace of mind for you, the parent.
- Crib and Moses - Suitable from birth to 12 months (approx.)
- Cot and Cotbed – Suitable from birth to 2 years (approx.)
- This product is fully tested and complies with the relevant UK safety regulations - BS EN 16890, BS 1877-10, BS 7177 and EN 71.

Essentials Premium Range

The NEW Essentials Premium range has a removable/washable cover and has been designed with great value in mind to help you compete in an increasingly challenging marketplace where price, specification and value of offering are key to your customers.

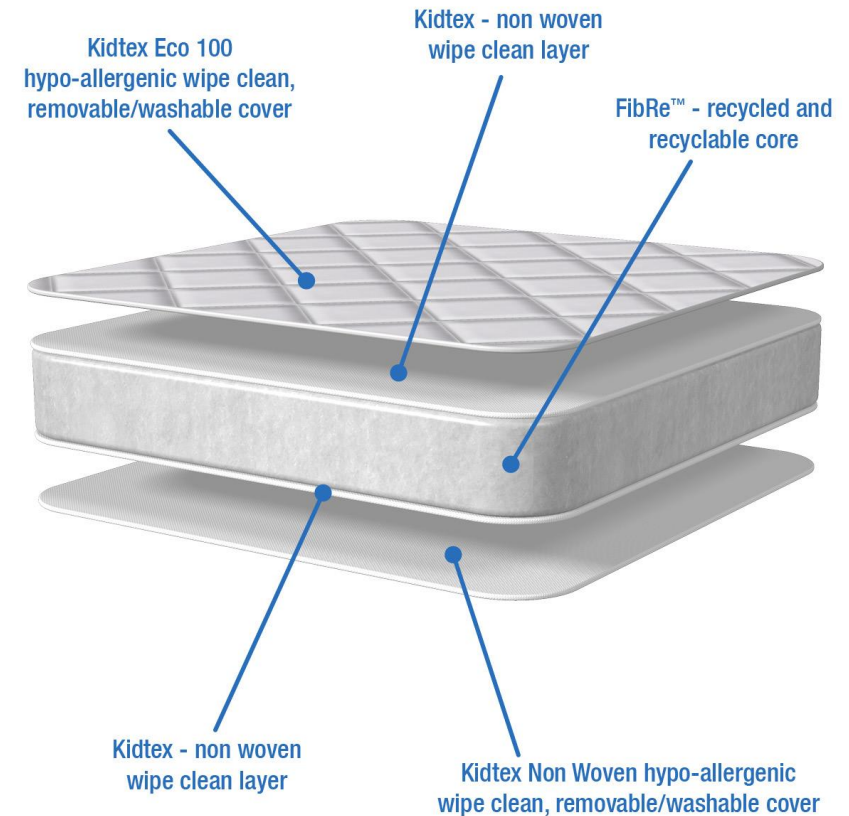

This new range features FibRe™ technology, quilted covers and with the expected quality and credibility from Bebeluca

Essentials Premium Fibre – Removable/Washable Cover

- A premium Fibre mattress offering uncompromising comfort and support for your baby.
- The PVC free Kidtex Eco 100 hypo-allergenic wipe clean, removable/washable quilted mattress cover maintains temperature and comfort for the optimum sleeping environment for your child and features a removable cover, which enhances breathability and air circulation for your child.
- The inner cover features a Kidtex Non Woven wipe clean layer made from vapour permeable yet water repellent fabric, helping to protect the comfortable high resilience foam core...perfect when potty training or when your child has a little accident.
- The FibRe™ used in the inner core has the correct balance between density and firmness to provide optimum spinal support and comfort for your child, and is free from any PVC or plasticisers, being manufactured from recycled fibre ensuring kindness to both your baby and the environment.
- The outer cover can be easily removed for washing at 60 degrees C in accordance with the care label, killing dust-mites, a common cause of allergies
- The correct choice of mattress will provide a healthier and safer sleeping environment; provide a better nights sleep for your child, and peace of mind for you, the parent.

- Crib and Moses - Suitable from birth to 12 months (approx.)
- Cot and Cotbed – Suitable from birth to 2 years (approx.)

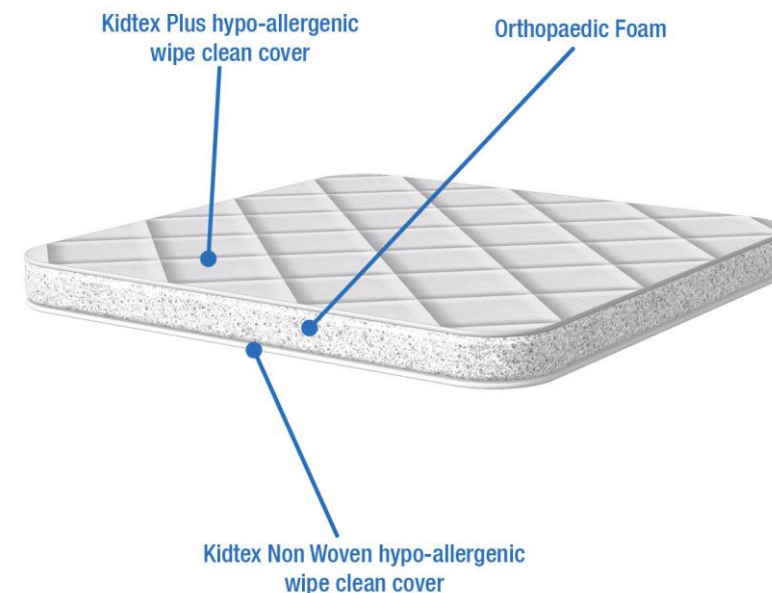

- This product is fully tested and complies with the relevant UK safety regulations - BS EN 16890, BS 1877-10, BS 7177 and EN 71.

KIDTEX Range (Crib, Moses Basket & Pram Mattresses)

New Item Code	Old Item Code	Item	Desc/Dims	Pack Size
<u>Moses Basket Mattresses</u>				
BBLK01	Kidtex01	KIDTEX Small Foam Moses Basket Mattress	65x27x2	6

KIDTEX Range (Spring Cot & Cotbed Mattresses)

New Item Code	Old Item Code	Item	Desc/Dims	Pack Size
Cot & Cotbed Mattresses				
BBLK11	Kidtex11	KIDTEX Spring Cot Mattress	120x60x10	2
BBLK13	Kidtex13	KIDTEX Spring Cotbed Mattress	140x70x10	2

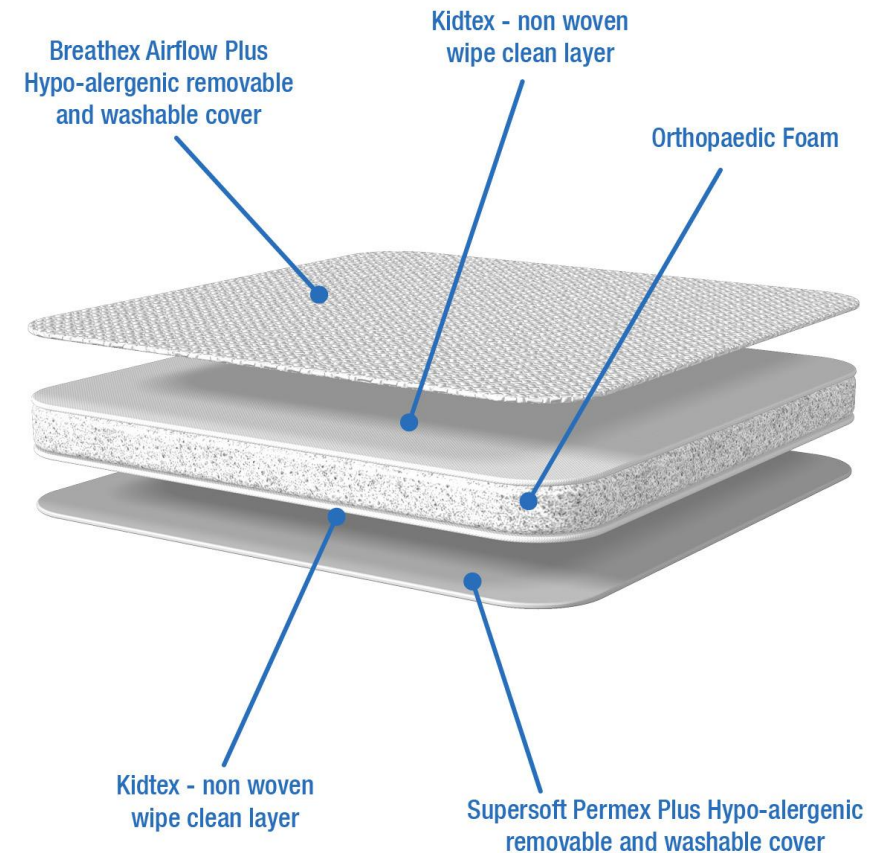

- A premium Spring mattress offering superior comfort, hygiene and support for your baby and features a fully reversible Kidtex Plus hypo-allergenic wipe clean quilted mattress cover which enhance breathability and air circulation for your child. It also keeps the mattress interior fresh and clean, reducing the causes of allergies.
- The quilted fabric envelopes the fully linked double cone spring base that is cocooned in a FibRe™ and felt comfort layer. Double cone springs add further support and durability to a mattress and are often the choice for the older child, providing better postural support. Additionally, the space within the spring lattice allows for better airflow helping with temperature regulation of the child.
- The springs used in the inner core of this spring mattress are linked double cone orthopaedic springs giving excellent spinal support and comfort.
- The correct choice of mattress will provide a healthier and safer sleeping environment; provide a better nights sleep for your child, and peace of mind for you, the parent.
- Easily maintained mattress with non removeable cover which can be sponged/wiped clean with a mild detergent and air dried....perfect when potty training or when your child has a little accident
- Suitable from birth to approx. 4 years (cot) and 5 years (cotbed)
- This product is fully tested and complies with the relevant UK safety regulations - BS EN 16890, BS 1877-10, BS 7177 and EN 71.

VENTIFLOW Range (Crib & Moses Basket Mattresses)

BBLKP03	Venti03	VENTIFLOW Foam Crib Mattress	88.5x39.5x3	6
BBLKP03BED		VENTIFLOW Foam Crib Mattress (Bedside)	83x50x3	6

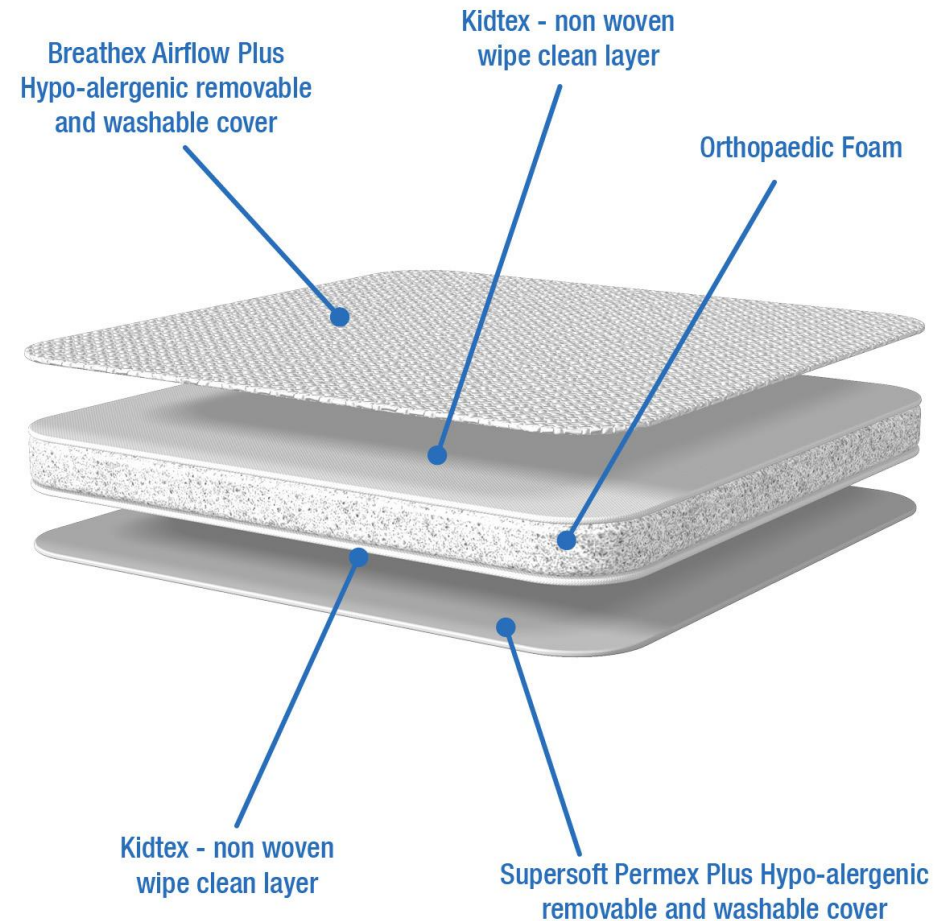

- An ultimate quality mattress offering superior comfort, support and breathability for all climates.
- The fully reversible mattress features a unique 3D Breathex Airflow Plus and Supersoft Permex Plus hypo-allergenic removable and washable cover that promotes air circulation to help prevent overheating and maximise breathability for the sleeping child.
- The inner cover features a Kidtex Non Woven wipe clean layer made from vapour permeable yet water repellent fabric, helping to protect the comfortable high resilience foam core...perfect when potty training or when your child has a little accident.
- Although often considered the economic choice, a quality foam core is a durable comfortable option and has been carefully selected with a density and firmness ensuring the correct balance between comfort and support. The foam used in the inner core is orthopaedic dent resistant foam giving spinal support and comfort and does not contain any PVC or plasticisers, ensuring kindness to both the environment and your baby.
- The base of the cover features Supersoft Permex Plus, which is a hypo-allergenic, PVC-free waterproof fabric that is easy to wipe clean.
- The correct choice of mattress will provide a healthier and safer sleeping environment; provide a better nights sleep for your child, and peace of mind for you, the parent.
- The outer cover can be easily removed for washing at 60 degrees C in accordance with the care label, killing dust-mites, a common cause of allergies
- Suitable from birth to 12 months (approx.)
- This product is fully tested and complies with the relevant UK safety regulations - BS EN 16890, BS 1877-10, BS 7177 and EN 71.

VENTIFLOW Range (Travel Cot Mattresses)

New Item Code	Old Item Code	Item	Desc/Dims	Pack Size
Travel Mattresses				
BBLKP11	Venti11	VENTIFLOW Folding Travel Cot Mattress	96x54x2.5	5
BBLKP10	Venti10	VENTIFLOW Thick Travel Cot Mattress	93x64x6	4

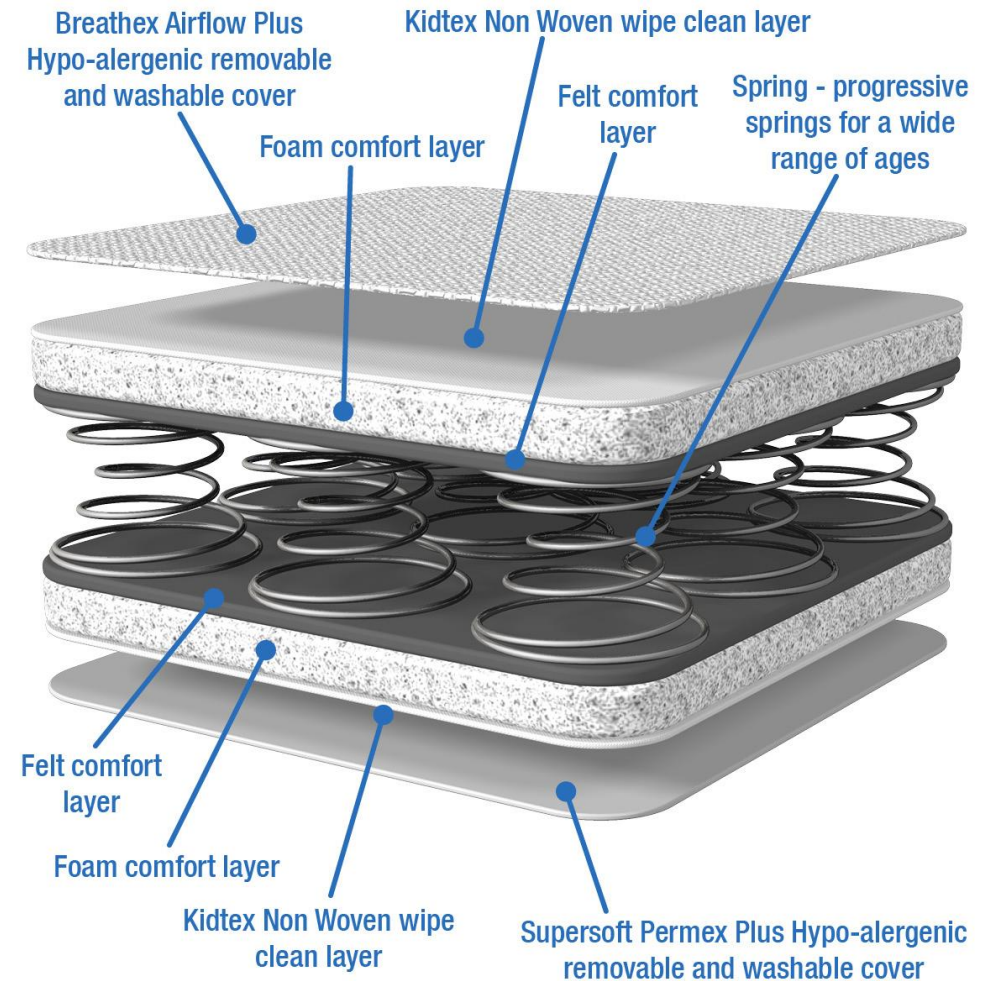

- An ultimate quality mattress offering superior comfort, support and breathability for all climates.
- The fully reversible mattress features a unique 3D Breathex Airflow Plus and Supersoft Permex Plus hypo-allergenic removable and washable cover that promotes air circulation to help prevent overheating and maximise breathability for the sleeping child.
- The inner cover features a Kidtex Non Woven wipe clean layer made from vapour permeable yet water repellent fabric, helping to protect the comfortable high resilience foam core...perfect when potty training or when your child has a little accident.
- Although often considered the economic choice, a quality foam core is a durable comfortable option and has been carefully selected with a density and firmness ensuring the correct balance between comfort and support. The foam used in the inner core is orthopaedic dent resistant foam giving spinal support and comfort and does not contain any PVC or plasticisers, ensuring kindness to both the environment and your baby.
- The base of the cover features Supersoft Permex Plus, which is a hypo-allergenic, PVC-free waterproof fabric that is easy to wipe clean.
- The correct choice of mattress will provide a healthier and safer sleeping environment; provide a better nights sleep for your child, and peace of mind for you, the parent.
- The outer cover can be easily removed for washing at 60 degrees C in accordance with the care label, killing dust-mites, a common cause of allergies
- Suitable from birth to 4 years (approx.)
- This product is fully tested and complies with the relevant UK safety regulations - BS EN 16890, BS 1877-10, BS 7177 and EN 71.

Total Cair HygieneCore Mattress with Viroblock

NEW

New Item Code	Old Item Code	Item	Desc/Dims	Pack Size
Cot & Cotbed Mattresses				
NEW BBLKVB120	-	Total Cair HygieneCore Cot Mattress with Viroblock	120x60x10	2
NEW BBLKVB140	-	Total Cair HygieneCore Cotbed Mattress with Viroblock	140x70x10	2

- A Total Cair™ mattress which provides unparalleled protection, breathability and comfort for your baby and every part of this mattress, including the core, can be removed for washing & cleaning, providing the ultimate, clean sleeping environment for your baby.
- This fully reversible mattress cover features a unique Supersoft AeroBliss™ Viroblock antimicrobial and PolkaSonic™ quilted hypo-allergenic cover which is removable and washable. The cover is treated with Viroblock^R which helps provide the ultimate protection from known viruses, bacteria and fungal spores and inactivates all coronaviruses (inc Sars COV2/ COVID19), thus maintaining the mattress cover's hygiene at all times, helping to protect your baby and keep them safe.
- The AeroBliss™ top cover allows enhanced airflow and temperature regulation across 100% of the mattress surface and works in harmony with the core HygieneCore™ to maintain the perfect sleeping environment.
- The quality HygieneCore™ antimicrobial mattress features superior comfort, support, breathability and protection for all climates, promoting air circulation to help prevent overheating and maximise breathability for the sleeping child. It is unique in providing an absolutely consistent support across 100% of the mattress from edge to edge, therefore providing the best possible support for a developing baby wherever they position themselves. Made from partially recycled monofilament continuous strands of PET, it is also kind to the environment and fully recyclable.
- The unique inner comfort layers feature a multi-modular system which can be configured specifically to your child's needs and development and provides 4 options for various mattress sleeping surfaces, including, medium, medium firm, firm and extra firm, providing tailored postural support for your baby as they grow. The inner comfort layers feature a FibRe™ recycled and recyclable comfort layer encased in a Kidtex Non Woven wipe clean, removable and washable cover made from vapour permeable yet water repellent fabric....perfect when potty training or when your child has a little accident.
- The core used in this HygieneCore™ antimicrobial mattress can be removed, washed and air dried for an ultimate clean.
- The base of the cover features PolkaSonic™ quilted hypo-allergenic fabric which is removable and washable.
- The correct choice of mattress will provide a healthier and safer sleeping environment; provide a better nights sleep for your child, and peace of mind for you, the parent.
- The outer cover, and inner layers can be easily removed for washing at 60 degrees C in accordance with the care label, killing dust-mites, a common cause of allergies. The inner HygieneCore™ core can be removed, washed and air dried to create a totally fresh mattress throughout.

KIDTEX Spring Mattress DEALS....DEALS....DEALS

New Item Code	Item	Desc/Dims	Pack Size
Special Purchase			
NEW BBLK31	KIDTEX ECOMfort Spring CotBed Mattress	140x70x10	2

Based on the very successful KIDTEX range, this Spring cotbed mattress has been designed to offer a value product within the Kidex stable for promotional opportunities. A highly competitive price with much improved environmental credentials - a true win-win.

- A premium Spring mattress offering superior comfort, hygiene and support for your baby.
- The PVC free Kidtex Eco 100 hypo-allergenic wipe clean quilted mattress cover helps to maintain temperature and comfort for the correct sleeping environment for your child and features a micropore cover which enhances breathability and air circulation for your child. It also keeps the mattress interior fresh and clean, reducing the causes of allergies.
- The quilted fabric envelopes the fully linked double cone spring base that is cocooned in a FibRe™ comfort layer. Double cones springs add further support and durability to a mattress and are often the choice for the older child, providing excellent postural support.
- Additionally, the space within the spring lattice allows for better airflow helping with temperature regulation of the child. The springs used in the inner core of this spring mattress are linked double cone orthopaedic springs giving excellent spinal support and comfort.
- The correct choice of mattress will provide a healthier and safer sleeping environment; provide a better nights sleep for your child, and peace of mind for you, the parent.
- Easily maintained mattress with non removeable cover which can be sponged/wiped clean with a mild detergent and air dried....perfect when potty training or when your child has a little accident
- Suitable from birth to approx. 5 years
- This product is fully tested and complies with the relevant UK safety regulations - BS EN 16890, BS 1877-10, BS 7177 and EN 71.

3ft Single Training Mattress - My First Big Bed

A premium Spring 3ft single Junior/Bunk Bed mattress, offering superior comfort, hygiene and support for your child, with a special training feature that gives you peace of mind should a night time accident happen. As your baby grows into an older child, this mattress provides the perfect next step up from a cot/cotbed to their first 'big bed'.

Item code	Item	Desc/Dims	Pack Size
3ft Training Mats - My First Big Bed			
BBLK402	3ft Single Spring Junior/Bunk Bed Mattress with special training feature featuring a removable and washable top cover	190x90x15	1
BBLK602	3ft Single Pocket Spring Junior/Bunk Bed Mattress with special training feature featuring a removable and washable top cover	190x90x15	1

- The SuperSoft™ quilted mattress cover helps to regulate temperature whilst maintaining comfort and posture, and features a removable, washable micropore cover which enhances breathability and air circulation.
- Once the top cover is unzipped and removed, a unique special waterproof inner top layer is revealed which completely protects the mattress core from “little accidents” and other allergens. This ‘training’ layer can be easily sponged/wiped clean with a mild detergent and air dried.
- The soft quilted fabric envelopes and orthopaedic core with a fully linked double cone spring base that is cocooned in our eco-friendly FiBre™ and felt comfort layer. Double cones springs add further support and durability to a mattress and are often the best choice for the older child, tailoring postural support for your growing child. (Pocket Spring option also available)
- The correct choice of junior mattress will provide a healthier and more hygienic sleeping environment, and provide a better night’s sleep for your child, and peace of mind for you.
- The outer top cover can be easily removed for washing at 60 degrees C in accordance with the care label, killing dust-mites, a common cause of allergies
- Also available with Viroblock[®] treatment which helps provide the ultimate protection from known viruses, bacteria and fungal spores and inactivates all coronaviruses (inc Sars COV2/ COVID19), thus maintaining the mattress cover’s hygiene at all times.

• Suitable from 3 – 11 years

- This product is fully tested and complies with the relevant UK safety regulations - BS 7177:2008 + A1:2011 ; EN71
